Dear Pual,

Please excuse the delay and the brevity. Much more persisting ^weariness and weakness and I'm getting behind in part from medical reasons. "11's physical therapy takes at least a quarter or a day three times week and I have an abundance of doctor appointments. All check OK and I deteriorate steadily.

I've finished the Twyman mess edcept for a brief epilogue on Fetzer.

I had just started this epilogue, five lines, when the retyped manuscript, rough draft as they all are, of WHORING WITH HISTORY: HOW THE GERALD POSNERS PROTECT THE KING ASSASSINS, ~~he~~ came and I had to go to work on it. Just put it with corrections in the mail.

Glad to see the big wind passed you by. We think that when it took that brief detour it missed where Lil's sister lives, near Norfolk.

As I remember, it was a Cuban who was employed by Parkland at the time but after all these years I'm not clear on what meaning, if any, I gave that.

Thanks and best,

Harold
